

King's Group Academies

*Opportunity and Success
on a Global Stage*

King's Group Academies

Do you want to enhance your school's provision for real-world, meaningful connections that support the British curriculum and international accreditations?

Would you like to collaborate with current UK Headteachers and senior leaders who can offer personalised support with DfE updates and compulsory training?

Opportunity and Success on a Global Stage

Partner with Us

Would you like your staff to have access to UK based CPD offerings, teacher exchange opportunities and a network of peer support with UK teachers and school leaders?

Do you want to enrich your opportunities for evidence against the BSO and other accreditation standards through high-quality, mutually advantageous collaboration with UK state schools?

*If you answered 'yes' to any of these questions, please read on to find out more about how a **cost free** KGA School Partnership can benefit your school.*

Who are King's Group Academies?

King's Group Academies is a multi-academy trust comprising nine UK schools in the South East of England. We are growing our regions sustainably, developing effective local school-to-school collaboration within the context of realising the benefits of being part of a single trust working across three regions.

King's Group Academies was founded in 2014 by Sir Roger Fry, following 45 years of growing a highly successful portfolio of International schools across Europe and Central America. KGA's international roots mean that since its inception, global connectivity has been the 'golden thread' running through each academy.

Built on strong British traditions of respect, fairness and tolerance, our Academies strive for academic excellence, enriched with opportunities for personal development and success. Our vision is to create a global community of pupils and staff, broadening horizons, fostering understanding and raising aspirations by connecting our Academies with other schools across the world.

The Perfect Partnership

Within our trust, you will find Infant, Junior, all through primaries, secondaries (including those with 6th Form) as well as an all-through EYFS to KS5 schools of varying pupil numbers. We represent a diverse cultural and socio-economic demographic across our schools.

We are confident there will be a perfect KGA school to meet your needs and desires for a UK partnership. Our International Director will work closely with you to find out what you hope to gain and ensure you are matched with a partner school that will provide maximum mutual benefit.

Whilst there are many options for short-term, quick-impact pairings with schools worldwide available to us all online, a partnership with KGA will create a long-term, personal relationship between your schools and ours with positive impact for not only pupils but also teachers, leaders, support staff and families.

Curriculum & Pedagogy

We are interested in working with you to create common units of work, which will enrich learning and develop the global perspective of all students involved.

- *Long-running peer-to-peer, classroom-to-classroom relationships that will grow and evolve as pupils move through the school;*
- *Shared experiences via virtual lessons and project-based collaborative learning;*
- *International Masterclass and gap year opportunities for 6th Form Leavers.*
- *A real-world understanding of, and connection to, the United Kingdom;*
- *English Language Development Support;*
- *Language Exchange;*
- *Student Exchanges.*

School Wide Benefits

In addition to offering rich collaborative learning opportunities for our students, KGA want to work with educators around the world and be an active partner in a global learning community. To this end we are offering all partnership schools **Honorary Overseas Membership of King's Group Academies**, the benefits of which include:

Quality work through pupil collaborations, and staff CPD to support the BSO requirements of demonstrating British character through ethos, curriculum and teaching.

Participation in the KGA Coaching Programme for senior and middle leaders. This includes virtual and live opportunities as well as access to content and coaches.

Invitations for Senior Leaders to attend the Annual KGA Residential Leadership Conference.

Ongoing Safeguarding training for your staff to ensure compliance with UK DfE statutory guidelines and BSO standards, facilitated or guided by UK based, KGA Designated Safeguarding Leads.

Engagement in our Trust wide CPD offer which consists of internal, external deliverers and accredited qualifications (e.g. National Professional Qualifications).

Access to peer support networks for leaders at all levels including subject leaders, year/phase leaders, assistant & deputy heads and Headteachers.

International teacher, middle leader and senior leader exchanges for professional development, specialist sharing and career progression.

A dedicated International Director, experienced in both the BSO inspection process and overseas school leadership, to coordinate all aspects of the work and support your staff at every stage of the partnership.

Over to you

Louisa Perkins,
International Director

*If you are interested in collaborating with us and becoming an **Honorary Overseas Member of King's Group Academies**, please contact our International Director, Louisa Perkins via*
