## KGA School Improvement Offer 2018 – 2019

### College Park Infant School – QA Review

Dear Headteacher

Thank you for confirming how you would like your 3 day KGA MAT School Improvement Offer to be targeted, with suggested timings.

In consultation with Di Smith (CEO) & Richard Hunter (Director of Primary) we would like to now confirm the date of your QA Review below:

**1 day - Wednesday 20<sup>th</sup> March 2019**

I will be in contact shortly to discuss any particular focus that you would like for the Review e.g. deployment of TAs, SEND, Pupil Premium, EAL, in addition to the quality of teaching, learning & assessment overall & any specific members of staff that you would like to be involved, such as Deputy Headteacher/Vice Principal, Assistant Head, SENCO, Yr Leader. It is asked that given the co-ordination of diary dates, where possible the QA Review date given above is accepted.

The aim of the QA Review is to provide the school with an objective view of strengths and areas for development, to verify school self-evaluation and to be able to provide King's Group Academies MAT with a secure level of accountability evidence.

Other school improvement activities including the remainder of your selected School Improvement Offer activities will be arranged in due course. If you have any questions or queries please do not hesitate to contact me at your earliest convenience.

Kind regards, Debbie Anderson.  
School Improvement Leader
